Each student is expected to enroll in at least six (6) academic subjects. Please note: For students participating in sports six (6) academic subjects must be passed each quarter to remain eligible. Select your choices for your 2023-24 schedule by **CAREFULLY** placing a check mark in the space next to the course. **Teacher approval needed for English, Math, Science, Languages, Honors and AP Courses requests.**

Please go to https://ha.rsu22.us/academics/course_offerings/program_of_studies and carefully read about each course you are selecting.

Please log into your PowerSchool account and register for your 2023-24 classes before March 16th.

English - Seniors who plan at least four years of post-secondary education should select two of the following English courses. (Phases 3-5) Please ask your English teacher for placement recommendations.

Seniors who plan one or two years of post-secondary education or plan to go directly into the work force may select two from the following or, with permission, any course listed in the Phases 1-3 section. Please ask your English teacher for placement recommendations.
